

## Federation Josephites to gather on "Link Site"

The first Sunday of April will find Leadership Teams from all Australian/New Zealand Federation Josephite groups assembled at Perthville New South Wales. The five Federation Josephite groups, based in Whanganui, (New Zealand), Hobart, (Tasmania), Goulburn, (NSW), Lochinvar (NSW) and Perthville itself, will all be together on the site from which they all originated in the late 1800's - a small, picturesque village ten kilometres from Bathurst NSW.

While the actual Federation Meeting will take place at Charles Sturt University in Bathurst, the gathering at Perthville on Sunday evening and a coach tour of significant sites the following day will be highlights of the historic occasion.
